Work Experience

WEB DEVELOPER

LAG SHOT GOLF LLC - Bonita Springs, FL
June 2023 to August 2023

I proudly contributed my expertise to enhance their online presence. Through collaboration with the team, I utilized coding skills to optimize the website's functionality and create a seamless user experience for GOAT enthusiasts.

INTERFACE DESIGNER

MINIFY MODS LLC - Fort Myers, FL
April 2021 to May 2023

I contributed to the Minify Mods team as an Interface Designer, crafting intuitive and visually appealing user experiences that seamlessly integrated with the gaming community's needs and desires. Through my role, I leveraged design principles to create interfaces that enhanced user interactions and streamlined the overall user journey within the gaming realm.

BACKEND WEB DEVELOPER

RealGT LLC - Bonita Springs, FL
January 2019 to March 2021

In my role as a Backend Web Developer at RealGT, I played a pivotal role in building and maintaining the core infrastructure that powered their innovative solutions. I leveraged my technical prowess to ensure seamless data management, efficient APIs, and robust server architecture, contributing to the overall success of the team's projects.

UI DESIGNER

REALGT - Remote
January 2018 to December 2018

- Built an App Store in Python for video game modules/plugins on a popular platform
- Built a Personal Virtual Assistant (Python, JavaScript, CSS, HTML5) using a web front end calling my custom server backend which runs many AI models
- Built a Drupal database that I called from my python app
- Built a Mobile App that was a social media platform for developers
- Built a Python API that I locally hosted on my machine

Education

College in Computer Engineering

Rose-Hulman Institute of Technology - Terre Haute, IN
Present

High school diploma

Canterbury School - Fort Myers, FL
August 2019 to May 2023
